# REAR SEATS

## PULL-OUT TRAY

These trays offer both rear passengers an enhanced experience while on the move. They are stowed on the sides within the central console unit.

## CUSHIONED HEAD REST

The rear seat head rests are fitted with a cushion securely strapped to offer complete support and comfort.

## SMART CONTROL UNIT

All massage functions can be controlled through this unit, positioned conveniently under the armrest on the central console unit.

## LEG SUPPORT

The rear seat offers enhanced leg support for a relaxing and comfortable journey.

# CENTRAL CONSOLE

## CUP HOLDERS

The lower portion of the central console houses two beverage holders, with adjustable pegs to fit cups of various sizes.

## STORAGE COMPARTMENT

The top portion of the central console houses storage space that is concealed behind a panel and accessible by a button on top.

## WIRELESS & USB CHARGING

The central console also has a provision for powering mobile devices through a wireless charger and two USB 3.0 ports.

## AMBIENT LIGHT

The console trim and central module is lit with an ambient light consisting of a wide choice of multiple colours.

## NIGHT TIME FEATURE (OPTIONAL)

This feature offers a mesmerising experience, where passengers can gaze up and unwind under the twinkling of celestial bodies. It is achieved using delicate fibre optic strands and perforations carefully crafted in the ceiling, offering an experience of travelling under the night time glow of stars.
